CALELLA DE PALAFRUGELL

HUTG-069658-12

DESCRIPTION

Semi-detached house located in one of the most charming areas of the Costa Brava — El Golfet in Calella de Palafrugell — just a few minutes' walk from the beach. Surrounded by greenery and calm, it offers a peaceful setting ideal for a relaxing coastal stay. The property is spread over two floors. The main floor features three double bedrooms: one with a trundle bed, one with two single beds, and a suite with a private bathroom. There is also a full bathroom with shower. Downstairs, you'll find a bright and spacious living-dining area with direct access to a large terrace surrounded by vegetation, where you can enjoy filtered sea views through the trees. The independent kitchen also opens to the outside, and this level includes a pantry and a guest toilet. The house offers two private garden areas on different levels — perfect for dining or relaxing outdoors. The lower garden connects directly to a quiet communal pool, shared with only three other neighbors. Additional features include ducted air conditioning, fiber optic internet, and an allocated outdoor parking space within the gated community. A cosy and functional property to enjoy the Costa Brava in comfort and privacy.
